

Spin Claims vs. USAP Certification Audit — Full Dataset (v1)

Paddlepicked.com · 28 spin/grit-marketed pickleball paddles checked against USA Pickleball's public registry · Checked September 1, 2026 · Retained record:
research/datasets/spin-claims-usap-audit-v1.csv

Brand	Model Marketed	Quoted Spin Grit Claim	Claim Source Domain	Usap Registry Status	Usap Registry Model Name	Name Match	Status Checked Date
JOOLA	Essentials	fiberglass face has a grit-like texture / abrasion-textured fiberglass face	joola.com / pickleball-wiki.com	Approved (Pass)	Essentials	Exact	2026-09-01
JOOLA	Vision 16mm	textured carbon face provides noticeable spin	pickleball-today.com	Approved (Pass)	Vision 16mm	Exact	2026-09-01
JOOLA	Hyperion Vision 16mm	textured carbon fiber surface...impressive spin potential	joola.com	Not found under this name	No matching entry found (related Hyperion IV 14mm/16mm are Pass)	No match found	2026-09-01
JOOLA	Ben Johns Perseus Pro V 14mm Carbon Fiber	TEXTURED CARBON FIBER...enhances spin	justpaddles.com	Related model Pass; exact SKU not confirmed	Perseus Pro V 16mm (Pass) / Perseus 14mm Alpha 1 (Pass) - no confirmed 14mm Pro V entry	Thickness mismatch	2026-09-01
Selkirk	SLK Halo Control	Raw Spin Technology...raw, textured surface designed to enhance spin	selkirk.com	Not found under this name	No matching entry found	No match found	2026-09-01
Selkirk	OMNI	InfiniGrit Surface for 3x Spin Durability Over Raw Carbon	selkirk.com	Approved (Pass)	Omni Widebody 16mm / Omni Prime	Name differs (fuller registry name)	2026-09-01
Selkirk Labs	Boomstik Raw Carbon Asia Edition	natural carbon texture for extra spin, touch and pop sound	thepickleparlour.com	Approved (Pass)	Project Boomstik Widebody Raw Carbon 16mm	Name differs (fuller registry name)	2026-09-01
Selkirk	Vanguard Control Invikta	textured, connected raw-carbon face with real bite for spin	paddlepicked.com (P-02 live page)	Related model Pass; exact SKU not confirmed	Vanguard Control S2 Lightweight (Pass) - Invikta variant not separately confirmed	Variant not confirmed - FLAGGED	2026-09-01
Six Zero	Ruby Pro	diamond tough grit...keeping bite, grit, and spin performance alive longer	pickleballcentral.com	Under Investigation	Ruby Pro 14MM	Exact (thickness appended)	2026-09-01
Six Zero	Black Opal	diamond grit surface...more durable grit that lasts longer and maintains spin	youtube.com (brand-sourced quote)	Not found under this name	No matching entry found	No match found	2026-09-01
Six Zero	Coral Pro Hybrid 16mm	independent camera-measured testing has clocked its spin among the highest...elite spin	paddlepicked.com (P-02 live page)	Not found under this name	No matching entry found across Coral / Coral Pro / Coral Pro Hybrid search terms	No match found - FLAGGED	2026-09-01
11SIX24	Vapor Power 2 (HexGrit)	HexGrit surface...generate exceptional spin	thedinkpickleball.com	Approved (Pass)	Vapor Power 16mm	Name differs (generation suffix)	2026-09-01
Spartus	P1 Hybrid (PermaGrit)	#1 long-lasting USAP-approved grit on the market for elite spin	gospartus.com	Approved (Pass)	P1 Hybrid	Exact	2026-09-01
Engage	Encore MX	chemically-bonded texture improves spin	pickleballcentral.com	Not found under this name	No matching entry found (other Encore variants are Pass)	No match found	2026-09-01
Engage	Pursuit Pro MX 6.0	Toray T700 Carbon Fiber for long-lasting spin and grit	justpaddles.com	Not found under this name	No matching entry found (Pursuit Pro1 6.0 / Pro2 Widebody are Pass)	No match found	2026-09-01
Engage	Pursuit Pro EX 16	Textured graphite	pickleballlookup.com	Not found under this name	No matching entry found	No match found	2026-09-01

Brand	Model Marketed	Quoted Spin Grit Claim	Claim Source Domain	Usap Registry Status	Usap Registry Model Name	Name Match	Status Checked Date
Engage	Pursuit Ultra MX 6.0	Raw carbon fiber with Control Pro Omni grit	pickleballlookup.com	Not found under this name	No matching entry found	No match found	2026-09-01
Engage	Axiom	Armor Grit surface (patent-pending)	picketip.com	Approved (Pass)	Axiom Elongated 16mm	Name differs (fuller registry name)	2026-09-01
Engage	Alpha Pro	Thermoformed Power & Spin	pickleballportal.com	Not confirmed on approved list	Pursuit Alpha Pro Elongated 14mm/16mm appear on PBCoR performance list only	No Pass entry found	2026-09-01
CRBN	1X Power Series	durable, gritty carbon fiber face	picklebuck.com	Approved (Pass)	1X	Name differs (shortened)	2026-09-01
CRBN	2X Square	Raw T700 carbon peel-ply face	pickleballlookup.com	Approved (Pass)	2X	Name differs (shortened)	2026-09-01
CRBN	2X Power Series	durable, gritty carbon fiber face	pickleballlookup.com	Approved (Pass)	2X	Name differs (shortened)	2026-09-01
Paddletek	Bantam TS-5	textured fiberglass face is a genuine control-first surface	paddlepicked.com (P-01 live page)	Approved (Pass)	Bantam TS-5	Exact	2026-09-01
Vatic Pro	Prism Flash 16mm	real bite on the ball when you brush up for spin	paddlepicked.com (P-01 live page)	Approved (Pass)	Prism Flash 16mm	Exact	2026-09-01
Vatic Pro	V-SOL Pro 16mm	heat-textured...real spin	paddlepicked.com (P-02/P-05 live pages)	Related model Pass; exact SKU not confirmed	V-Sol Tour Flash SH 16mm (Pass) - exact SKU name not confirmed	Name mismatch	2026-09-01
FLIK	F3 (Hybrid)	dense and controlled with real bite for spin	paddlepicked.com (P-01 live page)	Not found	No brand entry found	No match found	2026-09-01
Electrum	Model E	gritty spin from the raw carbon face	paddlepicked.com (P-02 live page)	Approved (Pass)	Model E / Model E 13mm / Model E Stealth	Exact	2026-09-01
Diadem	A52	finished in PU paint for spin and durability	paddlepicked.com (P-02 live page)	Not found	No matching entry found in this check	No match found	2026-09-01
